THE SUBSCRIPTION GRIFFINS.

As there are now over 40 ponies in the training operations should quickly become interesting. With all our local owners returned to the north, a number of the griffins will doubt be at exercise by the middle of next week. In view of this, I would again point out to the public that the fence round the training course is dangerous and ought to be removed.

We have had on several occasions, to style our Editor of the *North China Daily News* eminent noodle; we have now to show him as an eminent—well, follower of Ananias, the issue of the 6th inst. the *Daily News* informs its readers that the Editor of the *Hong Kong Telegraph* was tried on the 29th ult., before George Philippo for contempt of court, as the Chief Justice, after hearing defendants Mr. Francis, said that as Mr. Fraser-Slimm to answer a criminal charge of libel at the criminal sessions, he would not imprison *now*. The meaning intended to be conveyed this contemptible piece of spite is obvious it is not the first time we have had to the Balfour for similar attentions, backed equally barefaced pervasions of truth. Any person being *tried*, for contempt of The United Editor of the *North China News*, who pretends to know, everything apparently yet something to learn.

lieve that it is perfectly reliable.—**Corr.**
The Chinese gunboat *Tai-shen*, which dur-
ing the last few weeks has undergone some extensive
repairs at the Arsenal, went on her trial trip
this morning at the first instant. Whilst pass-
ing the Arsenal, she fired a salute, and the gun-
vessel fired a salute, in order most likely
to knock some of the rust of her guns away.
She was flying some high Mandarin flag at her
mast. There were a great number of Chinese officers
on board.

On account of ill health, Mr. Chaw Yuen
requested H.E. the Tao-tai to appoint an-
other person to act as Chinese translator. The
Tao-tai has granted his request and appointed
Kwong Ki-chiu, a Cantonese, to take the place of
Mr. Chaw. He has been appointed to another of-
fice connected with foreign affairs. Mr. Kw
who was connected with the Educational
Department, has been in the United States for
years; he took charge of the first lot of Chinese
youths that went to America in 1872. He has
said we have no doubt he will be well qual-
ified to fulfill the duties of his new appointment.

Flags who have joined the Black Flag, have defeated the French troops, and that the Black and White flags have surrounded Hanoi, but *not taken it*. It is said that on account of this new China has assumed such a firm attitude towards France.

It is said that the Emperor of Japan has visited Mr. Trichou to be a guest of his while passing through Japan.—*Mercury*.
